The sponsor will make a maximum of two (2) attempt or five (5) business days of the draw dates (whichever occurs first), or if there is a return of any notification as undeliverable; then that selected entrant will be disqualified (and will forfeit all rights to the prize(s)) and the Sponsor reserves the right to randomly select (via Random.org) an alternate eligible entrant from among the remaining eligible entries received during the contest period(s). The selected entrant will be sent a declaration and release form by e-mail. In order to be declared a winner, the selected entrant must correctly answer the mathematical skill-testing question on the declaration and release form and the form must be signed and returned to the contest sponsor.
